

## 2022 Community Awards

Please nominate projects that fit the award criteria. Nominations do not have to be based on consensus within judge teams. Each individual judge should submit nominations to the lead judge. The lead judge will enter the nominations into the NHD system before submitting rankings. If you run into difficulties or realize after submitting ranking that there are other projects you would like to nominate, please e-mail Mieko at [miekofm@hawaii.edu](mailto:miekofm@hawaii.edu)
