Economical Turning Points Business Labor Production Trade	
<u>Introduction of Wild Cattle</u>	<p>In 1793 and in 1794 Captain George Vancouver gave four bulls and eight cows to King Kamehameha I. Kamehameha placed a <i>kapu</i> (Hawaiian taboo), which was not lifted until 1830, on the hunting of the feral cattle . As a consequence by 1846 25,000 cattle were roaming the countryside in addition to 10,000 semi-domesticated cattle.^[4] The huge herds were destroying crops and sometimes even killing people so hunting was begun to reduce numbers of animals.^[4]</p>
<u>Sandalwood Trade</u>	<p>1811 An agreement between Boston ship captains and Kamehameha I established a monopoly on sandalwood exports with Kamehameha I receiving 25% of the profits.</p>
<u>Pineapple</u>	<p>1813 Pineapple-Spanish sailor Don Francisco de Paula Marin, who arrived in the Islands in the early 1790s. In addition to serving as an interpreter for King Kamehameha I, Marin had a reputation for being an ace horticulturalist credited with introducing citrus and mangoes to the island nation. He does, however, provide us with the first written record of this fruit in the New World, the simple January 1813 diary entry: “This day I planted pineapples and an orange tree.”</p>
<u>Parker Ranch</u>	<p>1816 John Palmer Parker married Chiefess Kipikane, granddaughter of King Kamehameha I. They started with two acres of land on the slopes of Mauna Kea, they built the homestead “Mana Hale,” They helped control the wild cattle that were devastating the Hawaiian forest. Today, Parker Ranch remains an important part of the community as it serves Hawaii with its Health and Education needs. Also see Introduction of wild cattle and Paniolo.</p>
<u>Captain Alexander Adams</u>	<p>1817 Opened the Hawaiian port with China for the sandalwood trade and the establishment of Port charges in Hawai'i.</p>
